

Online Checklist for Churches

*a quick check to make your website and social media
presence more effective*

- Physical location address

- Contact Information

- Worship Times

- A unique hashtag

- A statement of who is welcome

- Consistent posts

- A way to give online (esp important now)

- Pictures of your people--not just your building

- Notifications set for comments

- A schedule of upcoming events

- Denomination (yes, some folks still care)
